TAGLINE

*"The Professional Edge
You Need"*

MISSION

To position as a global vendor and business partner for sheet metal fabrication, without compromising our core principle.

FLEXIBILITY in production,
we offer **COMPLETE SOLUTION**
through

RESEARCH & DEVELOPMENT practicing
COST CONSCIOUSNESS & upholding highest level of
QUALITY.

VISION

Providing one stop solution with the best
quality, competitive pricing and on time
delivery.

What makes us unique....

+A total solution provider -

from forming small precise parts to full fabrication of a machine

+Our proven skills and experiences -

in handling a variety of material – stainless steel, aluminium, cold roll steel and etc

+Continued investments for improvements -

for both tooling and machineries for better production output and also willingness to invest time and effort to work with customers in improving customers' product and its production process.

+Our Group's involvement in various sectors or industries enables us to understand needs and requirements and build them to your specifications!
